Items have to be collected within 48h after receipt invitation to collect. Items will only be handed over upon presentation of the collection notice / purchase contract.

The buyer can give power of attorney to a third party of his choice to collect the item. A third party can only collect items upon presentation of a copy of the buyer's identity card, a proxy certificate written, signed and dated by the buyer, and upon presentation of the collection notice or the purchase contract.

Note that costs for dismantling, packing, loading and transporting goods shall be borne by buyers, and under their sole responsibility.

## SALES CONDITIONS

The general and specific terms of sale apply to all goods sold in this on-line auction, as stipulated on the website, [www.clicpublic.lu](http://www.clicpublic.lu). The specific terms of sale prevail over the general terms and conditions.

## TERMINATION

If the buyer fails to meet obligations, Clicpublic SRL may terminate the purchase contract on behalf of the seller, and without prior formal notice. An example of such failures to meet obligations includes, but is not limited to: late or incomplete payment of the purchase price; late collection of item(s) at the date set by Clicpublic SRL; failure to provide the information required for shipping.

In this case Clicpublic SRL is authorised to assign good(s) to a third party, without compensation for the defaulting buyer.

The defaulting buyer shall, in the event of termination, pay compensation of 25% of the purchase price as well as the costs incurred to cover all administration, storage, insurance and transport costs. This compensation does not negate the right of Clicpublic SRL to claim full compensation.

## IMPORTANT REMINDERS

All equipment and goods are sold without warranty (except for vehicles sold to private persons for whom one year warranty is granted), even in the case of non-compliance with the description of the state, nature, weight, quality or the name indicated in the catalogue or on the website.
